Voting - Halloween - College Applications - Measure TT

Dear Tim,

What a great time I've had making calls this election season. So many young people are voting for the first time in an amazingly historic election. You can hear the excitement in the voices of the 18-year-old first-time voters.

It reaffirms my belief in the importance for all of us to build on these idealistic hopes and aspirations as we conduct ourselves in public service.

Yes, I voted for Obama! I also respectfully ask for the opportunity to earn your support on election day, too. And, a big thank you to everyone who has volunteered and engaged in my campaign, the United Democratic Headquarters, local efforts and every other activity during this election season.

Having lost my first election by just two votes I know the importance of volunteers who make every vote count.

All the best,

- Anthony

HALLOWEEN

I had a great time trick or treating with The Bella last week. She was the Hungry Caterpillar. I also attended her first grade class Wild Thing parade. What great roars and claws.

COLLEGE APPLICATIONS

Sofia is in the midst of filling out college applications. She's doing great. She finally let me read her personal essays -- she has two different ones. I was very pleased with her work and I'll be on the edge of my seat as she waits to hear from her schools of choice.

PASADENA UNIFIED SCHOOL DISTRICT MEASURE TT

As a public school parent I strongly support local bond measures like Measure TT to improve our schools.
